ABOUT THE ASIAN LEADERS GROUP

The Asian Leaders Group (ALG) is a group created by GLF & GEEDF in 2015 with the purpose of addressing social needs and challenges encountered by the Asian Nations.

The main focus of the group is on Socio - Economic and Public Leadership, Innovation, Health and Educational practices. The idea of the ALG was sparked by the hope of connecting the vast resources in each sector of society supported by our members (individuals and organizations) in Asia who are working to address the core challenges of our times.

We understand our duty as a moderator of change, it is not an easy task; it requires immense thinking in all dimensions, responsibility and service to our communities, and the possible impacts of our interventions. It requires mastering the mindset and mechanisms of effective and innovative leadership, generating bold innovative ideas, and making them happen. It requires us to identify opportunities and turn them into benefits for global society. So, GLF's and GEEDF's work lies, to assist and empower individuals, organizations, and governmental bodies in Asia to play more active and meaningful leadership roles in their respective fields.

CHAIRMAN'S WELCOME

Welcome to the Asian Leaders Group

Distinguished Members

It gives me great pleasure to welcome you to the Asian Leaders Group.

It is by all means, an honor to be part of an organization that puts our bright and promising Asia at the forefront of its agenda for ecological, socio-economic growth and prosperity and regional peace. I am fully confident of the continent's offering to the world in all fields, and more confident that Asia can play a leading role in tackling the challenges of today's global society.

We have witnessed many Asian countries drive their economies towards high growth rates and hereby commend the prominent role played by the Global Leaders Foundation, whose members represent the vanguards of progress and prosperity in their communities.

ALG is first of many ambitious milestones for which we must all put our combined strength and resources to achieve and maintain a lasting platform for success for the future of Asia and its economies.

I express my thanks and gratitude to all esteemed members and all stakeholders for their tireless efforts in realizing our goals for a more prosperous and powerful Asia. On behalf of the Asian Leaders Group we look forward to supporting your success. We are truly glad for the opportunity to help cultivate the leaders of today, and impact emerging leaders of tomorrow.

I cordially invite you to embark on a leadership journey with the Asian Leaders Group Initiatives to become Asia's next change maker. In addition to building lifelong professional opportunities and friendships, you will also experience powerful ideas and strong-guiding principles that will be a life-changing experience.

I look forward to welcoming you in person.

Sincerely,

RAMESH TRIPATHI
Chairman and Co-founder,
